### **Congressional Candidate Alison Esposito, Endorsement for New York States - 18<sup>th</sup> Congressional District**

The Executive Board for the NYPD Superior Officers Association Retired (SOAR) has pledged our total support for you and your election campaign, to represent New York States 18<sup>th</sup> Congressional District in the United States House of Representatives. We recognize that you are an established leader that is not afraid to make the tough decisions. We desperately need all of our representatives in Congress to make decisions based on strong personal convictions that are also firmly rooted and reflective of the constituents that they represent and serve. Our endorsement is based on your well informed and articulated policy perspectives that outline you will be a strong supporter of the police, military veterans, seniors, children and a proponent of securing our national borders. We are extremely confident that you are the right candidate at the right time to lead our community in the United States Congress.

Our Association is comprised of retired leaders from the NYPD that have all made substantial contributions during their careers to making New York City a safer place to live and work and are extremely proud to have you as a member of our retiree community. While SOAR is a non-partisan organization, we do endorse candidates such as yourself that have pledged to protect the rights of senior citizens and to support pro-police, common sense legislation.

Our membership is deeply dismayed by the anti-police rhetoric that has been embraced by too many politicians that support anti-police legislation that targets Police Officers instead of criminals. We understand the immediate need to strengthen the Republican majority in the House of Representatives in Congress as the GOP has been the only obstacle to even worse polices coming out of Washington D.C. for the last two years. It is essential to have well informed law enforcement advocates in Congress to remind everyone that the Police are the good guys, and anyone who states otherwise is lying, and we could ask for no better representative that a former member of New Yorks Finest!

Therefore, the NYPD Superior Officers Association Retired, fully supports your candidacy to represent the residents of Orange, Dutchess and Ulster Counties in New York's – 18<sup>th</sup> Congressional District. With this endorsement we are urging all of our association members, their family, friends, co-workers, and all of our brothers and sisters in the Law Enforcement community to support your candidacy by volunteering some of their time, and when possible and to make a donation to your campaign, to help you win this vitally important election on November 5<sup>th</sup>, 2024.

Sincerely yours,

By: Ronald C. Schule
